Dinner Rolls

Would you like bread with that?

SYSCO Classic dinner rolls have been made every day from scratch for years and are baked with nature's finest ingredients. We are committed to producing the highest quality dinner rolls that add the most value to our customers.

Our Gourmet Flake rolls uniquely "flake" apart and have a flavor created only with a recipe from Grandma's day. These rolls enliven the senses with their delicious taste, enticing aroma, and that homemade look.

Our Par-Baked rolls are a "non-flake" roll made with the same delicious buttery recipe of the Gourmet Flake rolls. These rolls compliment any meal preparation and add unequaled value to the market.

Our dinner rolls are extremely durable with a freezer life of six months, yet are simple to warm and serve. Try one today and discover why SYSCO Classic dinner rolls are delicious!

Preparation instructions for all products: Keep frozen. Thaw completely. Heat at 325°F for 2-4 minutes or to desired color.
